2020 Local Authority Elections Results and Allocation of Seats

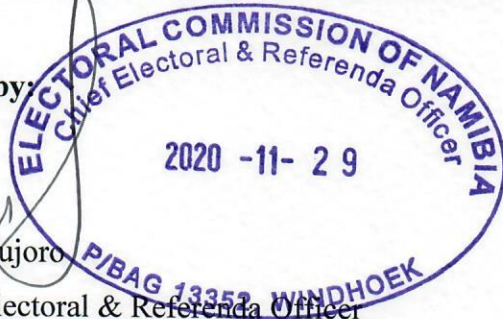

The Electoral Commission of Namibia (ECN) hereby shares with the public election results and seats allocation for the various local authorities in the just ended 2020 Local Authority Elections.

We also wish to inform the public that the election results for the Okakarara, Otavi and Katima Mulilo local authorities are under review and the ECN will make an announcement as soon as this process is completed.

Furthermore, the nation is hereby informed that the election process for the Koes, Aroab and Stampriet local authorities as well as the Mariental Rural Constituency could not be completed due to serious procedural errors discovered during the conduct of the polling process on Wednesday, 25th November 2020.

The ECN has since informed all affected stakeholders and is currently consulting with relevant institutions in order to find an amicable solution to these issues. The public will soon be updated on the way forward regarding the elections that could not be completed.
